INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of Squam Lakes Natural Science Center Holderness, New Hampshire

Opinion

We have audited the accompanying financial statements of the Squam Lakes Natural Science Center (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Squam Lakes Natural Science Center as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Squam Lakes Natural Science Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Squam Lakes Natural Science Center's ability to

continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Squam Lakes Natural Science Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Squam Lakes Natural Science Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1: Summary of Significant Accounting Policies

a. Organization

The Squam Lakes Natural Science Center was organized in New Hampshire as a non-profit corporation for the purpose of educating the public about wildlife and earth science. Services provided include educational exhibits, live animal exhibits, museums and educational instruction by naturalists and educational lake cruises.

b. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

c. Net Assets

In accordance with accounting principles generally accepted in the United States of America, the Organization is required to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the organization's management and board of directors. The Organization's net assets without donor restrictions include board designated, real estate and equipment and facilities maintenance reserves.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. The Organization has elected to have all donor contributions with restrictions expiring in the same reporting period recorded as donor contributions without restrictions.

d. Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude cash and cash equivalents which are included in investments (See Note 6).

NOTE 1: Summary of Significant Accounting Policies (Continued)

e. Restricted Cash

The Organization considers all highly liquid investments with a maturity of three months or less when purchased and restricted for a particular purpose to be restricted cash.

f. Accounts Receivable

Accounts receivable are presented at face value, net of the allowance for doubtful accounts. The Organization considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

g. Inventories

Gift shop inventories are stated at the lower of cost or market, determined by a physical count using the first-in, first-out method.

h. Investments

In accordance with generally accepted accounting principles, all investments are reported at their fair value.

i. Pledges Receivable

Unconditional and conditional pledges are recognized as revenues in the period received. These amounts are recorded at their fair value. The Organization considers pledges to be fully collectible; accordingly, no allowance for doubtful accounts is required.

j. Public Revenue and Support

Annual campaign contributions are generally available for unrestricted use in the related campaign year unless specifically restricted by the donor. Unconditional pledges are recorded when the pledge is received. Unconditional pledges due in the next year are reflected as current pledges and are recorded at their net realizable value. Unconditional pledges due in subsequent years are reflected as long-term pledges and are recorded at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the pledges are received.

Grants and contributions of cash or other assets are reported as with or without donor restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restriction are reclassified as net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

NOTE 1: Summary of Significant Accounting Policies (Continued)

j. Public Revenue and Support (continued)

Contributions of donated noncash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2014-09, "Revenue from Contracts with Customers (Topic 606)". The ASU and all subsequently issued clarifying ASUs replaced most existing revenue recognition guidance in U.S. GAAP. The ASU also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The Organization adopted the new standard effective January 1, 2020, the first day of the Organization's calendar year using the modified retrospective approach. As part of the adoption of the ASU, the Organization elected the following transition practical expedients: (i) to reflect the aggregate of all contract modifications that occurred prior to the date of initial application when identifying satisfied and unsatisfied performance obligations, determining the transaction price, and allocating the transaction price; and (ii) to apply the standard only to contracts that are not completed at the initial date of application. Because contract modifications are minimal, there is not a significant impact as a result of electing these practical expedients. The adoption resulted in no increase to beginning retained earnings as of January 1, 2020. The impact of applying this ASU for the year ended December 31, 2020 resulted in no material change. See Note 3 for additional disclosures.

k. Functional Expenses

The Organization's expenditures can be classified into three functional areas: education, management, and fundraising. The Organization has allocated functional expenses based on an analysis of personnel time and space utilized for these areas.

1. Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

m. Tax Status

The Organization is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Code.

NOTE 1: Summary of Significant Accounting Policies (Continued)

n. Federally Insured Limits

The Organization maintains its cash at several financial institutions. Accounts at each institution are secured by the Federal Deposit Insurance Corporation (FDIC) or the Securities Protection Investment Corporation up to \$250,000. As of December 31, 2021, the Organization has approximately \$616,000 in uninsured funds.

o. Advertising Costs

The Organization expenses advertising costs as they are incurred.

NOTE 2: Availability and Liquidity

The following represents the Organization's financial assets at December 31, 2021 and 2020:

	2021		2020
Financial assets at year-end:			CARLES AND
Cash and cash equivalents Pledges receivable Accounts receivable Investments	\$ 885,321 315,144 2,606 6,126,179	\$	445,822 345,682 - 5,350,270
Total financial assets	7,329,250		6,141,774
Donor-imposed restrictions: Funds subject to time and purpose restrictions	(3,135,873)		(2,643,784)
Net financial assets after donor- imposed restrictions	4,193,377		3,497,990
Less board designated funds:			
Facilities maintenance reserve Staff compensation reserve	(1,607,748) (1,534,843)		(1,405,370) (1,337,434)
Financial assets available to meet general expenditures over the next twelve months	\$ 1,050,786	\$.	755,186

The Organization regularly monitors resources required to meet its operating needs. For purposes of analyzing resources available to meet general expenditures over a twelve month period, the Organization considers all expenditures related to its ongoing activities of educating the public about wildlife and earth science. In addition, the Organization operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor restricted funds. Refer to the statement of cash flow which identifies the sources and uses of the Organization's cash and shows positive cash generated by operations.

NOTE 3: Revenue Recognition

REVENUE RECOGNITION POLICY

The Organization derives its revenues from fees collected for programs provided and annual memberships. The Organization recognizes fee income and the related costs at the time the service is received by customers, which has been determined to be the time when persuasive evidence of an arrangement exists, delivery of the service has been made, and a fixed fee and collectability have been determined.

In addition, the Organization derives revenue from the sale of goods sold at the store. Control of merchandise transfers to the customer at the time of purchase.

DISAGGREGATION OF REVENUE FROM CONTRACTS WITH CUSTOMERS

The following table disaggregates the Company's revenue based on the timing of satisfaction of performance obligations for the years ended December 31:

	2021	2020
Performance obligations satisfied at point in time Performance obligations satisfied over time	\$ 1,652,807 	\$ 858,789
Total Net Sales	\$ 1,652,807	\$ 858,789

PERFORMANCE OBLIGATIONS

Performance obligations are met when the services are received by the customer or when the goods are transferred to the customer.

CONTRACT LIABILITIES

Contract liabilities is based on fees collected for services that have not yet been performed. Contract liabilities for the years ended December 31, 2021 and 2020 were \$69,980 and \$57,072, respectively.

NOTE 4: Property and Equipment

Donations of property and equipment are recorded at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long such assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

NOTE 4: Property and Equipment (continued)

Property and equipment are carried on the books at cost and are depreciated using the straight-line method over the following estimated useful lives:

	Years
Buildings	30
Renovations and improvements	30-40
Exhibits	15-20
Vehicles	5-7
Equipment	5-7

Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred. Equipment purchases of \$2,500 or more are capitalized. Depreciation expense for the years ended December 31, 2021 and 2020 was \$373,089 and \$406,970, respectively.

Construction in progress, included in fixed assets, as of December 31, 2021 and 2020 was \$425,086 and \$258,683, respectively.

NOTE 5: Concentrations

The Organization's sources of revenue and support are as follows:

	2021	2020
Public Support	\$1,447,425	\$1,544,379
Program Service Fees		
and Memberships	1,427,653	763,866
Investment Income (loss)	775,198	604,827
In-Kind	13,215	14,214
Special Events	45,978	44,492
Other	135,416	50,572
Total	\$3,844,885	\$3,022,350

The services provided by the Organization are funded primarily by public support, program service fees and memberships.

NOTE 6: Investments and Investment Income

Investments are reported in these financial statements at fair market value, with related appreciation or depreciation in value included in the Organization's statement of activities.

The fair value of securities is determined as the quoted market price per unit if available, otherwise, it is estimated at the amount at which the asset could be bought or sold between willing parties other than in a forced liquidation sale.

NOTE 6: Investments and Investment Income (continued)

Donated investments are reported at fair market value as of the date of receipt. The Organization uses a pooled investment approach utilizing investment accounts for unrestricted and restricted net assets. Investment income, gains, losses and management fees of each investment account are allocated to net assets based on proportionate share in the account.

The composition of investments is as follows:

		31, 2021 Fair Value		31, 2020 Fair Value
Cash	\$ 351,124	\$ 351,124	\$ 350,729	\$ 350,729
Mutual funds and ETFs	3,759,558	5,775,055	3,625,496	4,999,541
Total	\$4,110,682	\$6,126,179	\$3,976,225	\$5,350,270

Investment income (loss) from these investments for the years ended December 31, is summarized as follows:

		2021	-	2020
Interest and dividends	\$	104,546	\$	86,538
Capital gain distributions		10,124		4,687
Net realized gains		90,764		40,094
Net unrealized gains (losses)		570,173		475,975
Investment fees	-	(409)	1	(2,467)
Total	\$	775,198	\$	604,827

NOTE 7: Endowment

The State Prudent Management of Institutional Funds Act (SPMIFA) requires the preservation of the fair value of the original gift as of the date of the gift absent explicit donor stipulations to the contrary. The Organization classifies as permanently restricted net assets (a) the original value of the gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the statement of prudence prescribed by SPMIFA.

NOTE 7: Endowment (continued)

In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The investment policies of the Organization

The Organization's investment objective is to preserve the capital of the endowment fund, to earn a competitive return from income and capital gains, and to do so without exposing the fund to undue or imprudent risk. To achieve these goals the Board reviews, oversees and, directly, or through an investment advisor approved by the Board, manages the assets of the endowment fund.

During the years ended December 31, 2021 and 2020 the Organization's endowment fund assets were balanced at approximately 75% equity securities and 25% fixed income securities. The Organization utilizes a spending policy for distribution each year to be no greater than the sum of:

- a) 70% of the investment assets spending in the immediately prior year plus
- b) 30% of the long term spending rate of 4% times the fourquarter market average of the long term investment assets for the period ending September 30

The Organization had the following endowment related activities for the year ended December 31, 2021

Endowment net assets, beginning of year	\$ 1,580,377
Investment income Net appreciation	30,946 198,037
Total investment return	228,983
Contributions to endowment	50,000
Amounts appropriated for expenditure	(67,194)
Endowment net assets, end of year	\$ 1,792,166

NOTE 7: Endowment (continued)

The Organization had the following endowment related activities for the year ended December 31, 2020:

Endowment net assets, beginning of year	\$ 1,459,184
Investment income Net appreciation	68,714 107,975
Total investment return	176,689
Contributions to endowment	
Amounts appropriated for expenditure	(55,496)
Endowment net assets, end of year	\$ 1,580,377

NOTE 8: Fair Value

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

NOTE 8: Fair Value (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Cash, Mutual funds, ETFs and fixed income: Fair value is based upon quoted prices in active markets for identical assets and are reflected as Level 1.

The methods described above may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the hierarchy, the Organization's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Cash Mutual funds and	\$ 351,124	\$ -	\$ -	\$ 351,124
ETFs Pledges receivable	5,775,055		315,144	5,775,055 315,144
Total	\$6,126,179	<u>\$</u> _	\$ 315,144	\$ 6,441,323

The following table sets forth by level, within the hierarchy, the Organization's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Cash Mutual funds and	\$ 50,729	\$ -	\$ -	\$ 350,729
ETFs Pledges receivable	4,999,541	_	345,682	4,999,541 345,682
Total	\$5,350,270	\$ -	\$ 345,682	\$ 5,695,952

NOTE 9: Pledges Receivable

Pledges receivable as of December 31, are as follows:

	2021	2020
Pledges receivable in less than one year Pledges receivable in one to five years Less discount to net present value	\$ 234,981 85,001 (4,838)	\$ 220,500 140,500 (15,318)
Net pledges receivable at December 31,	\$ 315,144	\$ 345,682

Pledges receivable are reported at fair value, which is estimated as the net present value of expected future cash inflows, on a non-recurring basis. A discount rate of 4.75% in 2021 and 2020 was applied to determine net present value. As discussed in Note 8, the valuation technique used by the Organization is a Level 3 measure because there are no observable market transactions.

In 2018 the Organization launched a capital campaign, known as Education Matters. The purpose of the campaign is to reinforce the impact of the Organization's mission while building long term sustainability. This campaign supports the addition of a new education building, the lake cruise headquarters, a new exhibit, and strengthens the Organization's financial foundation. As of December 31, 2021 and 2020 the total pledged or contributed to the capital campaign was \$2,664,235. Pledges related to the capital campaign was \$173,363 and \$343,682 at December 31, 2021 and 2020, respectively.

NOTE 10: Line of Credit

The Organization has a revolving line of credit agreement with Meredith Village Savings Bank in the amount of \$500,000. Interest is due monthly at a variable rate of the Wall Street Journal Prime Rate (3.25% at December 31, 2021). The line of credit matures on June 28, 2026. The line is secured by marketable securities with a value of \$1,739,984 and \$1,518,908 at December 31, 2021 and 2020, respectively. The principal balance of the line of credit at December 31, 2021 and 2020 was \$0.

NOTE 11: Net Assets with Donor Restrictions

Net assets with donor restrictions include the following at December 31:

Kirkwood Gardens 115,986 85,997 Orton Bear Fund 119,846 106,156 Gordon's Children Center 53,249 41,605 Coyote Exhibit 34,008 30,144 Innovative Project Fund 97,682 87,306 Education Matters 326,998 215,055 Scholarship Fund 55,574 43,016 Raptor Exhibit 18,236 212,011 Trail Camera Project 12,218 16,911 Temporary Grants 34,837 18,258 Volunteer Software 8,431 7,370 Solar Array 125,574 - Bobcat Fund 63,474 54,491 Library Fund 7,115 6,219 Squam Bird Book 10,500 4,650 Otter Improvements 65,339 10,835 General Endowment 1,293,952 1,173,220 Otter Endowment 126,720 69,636 Naturalist Salaries Endowment 125,438 113,856 Barry Endowment 74,688 67,793	31:	2021	2020

NOTE 12: Donations In-Kind

The Organization records various types of in-kind support including contributed facilities, professional services, advertising and materials. Recognition of contributed facilities is described in Note 2. Contributed professional services are recognized if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair market value when received. The amounts reflected in the accompanying financial statements as in-kind support is offset by like amounts included in expenses. Contributions of donated services totaled \$13,215 and \$14,214 during 2021 and 2020, respectively. Additionally, the Organization receives a significant amount of contributed time which does not meet the two recognition criteria described above. For example, volunteer services supporting operational assistance, including docents, administrative support and trail maintenance. Accordingly, the value of this contributed time has not been determined and is not reflected in the accompanying financial statements.

NOTE 13: Net assets without Donor Restrictions

The Board of Trustees has placed self-imposed limits on the use of net assets by designating the assets for the purpose listed below. The Board of Trustees may change such designations at their discretion.

	2021	2020
Board Designated Reserve Facilities Maintenance	\$ 726,032	\$ 488,460
Reserve	1,607,748	1,405,370
Staff Compensation Reserve	1,534,843	1,337,434
Real Estate & Equipment	5,153,003	5,242,758
Total Board Designated		
Funds	9,021,626	8,474,022
Operating Fund	250,000	250,000
Total	\$9,271,626	\$8,724,022

NOTE 14: Defined Contribution Plan

The Organization sponsors a defined contribution pension plan covering employees who work at least 1,000 hours over two consecutive years. Employees may make elective deferrals to the plan. The Organization matches 100% of the first 5% of such deferrals. Plan costs totaled \$52,484 in 2021 and \$52,474 in 2020.

NOTE 15: Government Grant Funding

During the year ended Decmeber 31, 2020 the Organization received funding of \$323,000 on April 16, 2020 under the Paycheck Protection Program, which was forgiven and reported as revenue and included in contributions and grants in the statement of activities. In addition, the Organization received a grant from the Non-Profit Relief Fund Beneficiary Award in the amount of \$369,591 and a grant from the New Hampshire Department of Health and Human Services for COVID-19 Child Care Assistance Supplement in the amount of \$23,800, which were also included in contributions and grants in the statement of activities.

During the year ended December 31, 2021 the Organization received \$322,328 under the second round of the Paycheck Protection Program, which was forgiven on July 8, 2021. In addition, the Organization received a Child Care Achieving Stabilization Program grant in the amount of \$76,094.

NOTE 16: Subsequent Events

Management has evaluated subsequent events through August 9, 2022 the date the financial statements were available to be issued and no subsequent events require disclosure.
