# WINTER BREAK CAMP

## "Snow Much Fun"

**Monday, Feb. 23 - Thursday, Feb. 26**

**9:30am - 3:30pm**

**Ages: 7-10 yrs**

Monday: Snow Science

Tuesday: Tracks in the Snow

Wednesday: Winter Art

Thursday: Winter Adaptations

**Registration opens Monday, January 5<sup>th</sup> at 9:00am**

## **Monday, February 23**

### **Snow Science, 9:30am - 3:30pm, Ages 7 - 10**

What makes snow amazing? Come find out! Snow is more than just frozen water. Campers will get to experience what makes snow multi-faceted (through snow-based experiments and a snowflake scavenger hunt), how our land was shaped by glaciers, and other wonders of this exciting winter phenomenon! We will spend the majority of the time outside, so make sure your campers are ready for some fun in the snow!

*Cost: \$75/member; \$84/nonmember*

## **Tuesday, February 24**

### **Tracks in the Snow, 9:30am - 3:30pm, Ages 7 - 10**

Join us for a day of looking for signs of animals in winter! While some animals fly south, or sleep all winter, others have to stay active and this means that they're on the move. We'll spend plenty of time outside looking for signs of animal activity; from pawprints, to chew marks, and of course poop! Tracks always tell a story, so we will spend some time creating stories with our own set of tracks.

*Cost: \$75/member; \$84/nonmember*

## **Wednesday, February 25**

### **Winter Art, 9:30am - 3:30pm, Ages 7 - 10**

Winter is a great time to make some art, both inside and outside! We'll spend part of the day making snow sculptures outside, and discovering art found in nature. Then campers will draw, sculpt, and craft chilly creations using cool colors, sparkling materials, and nature-inspired designs that capture the beauty of the season.

*Cost: \$75/member; \$84/nonmember*

## **Aftercare Available**

Each day, aftercare will be available until 4:30pm. You can sign your child/children up for aftercare when you register for camp. Please note that we will not have aftercare if fewer than 3 children are signed up, and we will notify families at least one week before. Cost: \$13/day per child

## **Thursday, February 26**

### **Winter Adaptations, 9:30am - 3:30pm, Ages 7 - 10**

This day will be all about what it takes for animals to survive in winter. From warm fluffy coats to special circulatory systems, NH wildlife have some pretty amazing winter adaptations. We'll explore the natural spaces these animals live in, and play some games and activities to better understand how important their adaptations are for surviving NH winters.

*Cost: \$75/member; \$84/nonmember*

## **Friday, February 27**

### **Weather Cancellation Make-Up Day**

If we have to cancel one of our sessions during the week due to inclement weather, we will make it up on this day (Friday, February 27<sup>th</sup>). Please refer to our Weather Cancellation Policy below for more information.

### **Registering for all four days?**

If you are registering your child/children for all four days of camp, you will receive a small discount!

(Discount applied at time of registration)

### **Weather Cancellation Policy**

If there is inclement weather and we cancel camp, we will notify all families by 7:30am. The make-up day will be on Friday, Feb. 27. No refunds will be given if your child/children cannot attend that Friday.

If more than one day has to be canceled due to inclement weather, refunds will be pro-rated.

### **Aftercare Available**

Each day, aftercare will be available until 4:30pm. You can sign your child/children up for aftercare when you register for camp. Please note that we will not have aftercare if fewer than 3 children are signed up, and we will notify families at least one week before. Cost: \$13/day per child
