

## **Squam Lakes Natural Science Center**

### **Nominees for Election to serve a first three-year term as a Trustees**

#### **Carol Bard**

Carol has enjoyed over 30 years in education as a counselor, teacher of Psychology at the high school and college level, and school psychologist. Board experiences include 3 terms as a board member at Ledgebrook, 3 terms as board member and chair at Westwind in Holderness, and currently a board member at Altrusa in Meredith.

#### **Sam Howe**

Sam Howe has logged 77 summers on Squam Lakes, since Covid as a year-round Holderness resident. Having retired several years ago, most recently from college fundraising, Sam has been helping NH non-profit start-ups set up development shops, with a focus on major-giving donors. He also is a board member of Plymouth Area Renewal Energy Resources (PAREI), a driver for Transport Central, and a Lake tour apochryphalist for Rockywold-Deephaven Camps. His wife Julie, is a Board member of Bearcamp Center, Tamworth, and formerly a RDC board member.

#### **Win Shafer**

Win has visited Squam since he was a child and began spending more time while a student at the University of Pennsylvania and since retiring as the Director of Camp Susquehannock in NE Pennsylvania (where he grew up) has been able to spend 3-5 weeks each year at the lake. Win taught for his whole career (38 years) at The Episcopal Academy in the western suburbs of Philadelphia. An avid birder since his late 20's and hiked the entire Appalachian Trail with his son in 2009. In addition to teaching Middle School Science and High School Biology he coached soccer, ice hockey, squash, golf and crew. Married for 44 years to Cannie who is also a career educator, they have two children.
