

## POSITION DESCRIPTION NATURALIST

<b>Position:</b>	Naturalist
<b>Employment Classification:</b>	Part-time, Year-round, Nonexempt (Avg 32 hours/week)
<b>Immediate Supervisor:</b>	Education Director
<b>Compensation:</b>	\$17.00 per hour

### Position Purpose and Summary

Naturalists are responsible for teaching school programs onsite, offsite, and virtually, as well as public programs such as live animal presentations in our trailside amphitheater, live animal outreach programs, afterschool programs, homeschool programs, educational lake cruises, and environmental education programs for families. Education Staff members also assist with exhibit design, develop education programs, serve on staff committees, complete independent projects to support education programs/mission, and contribute to special events.

### Essential Duties

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Teach school programs, including programs at the Science Center, offsite at schools, and virtually, and assist in the development of new programs.
- Develop and teach public programs such as Up Close to Animals, outreach programs, afterschool programs, homeschool programs, educational lake cruises, and environmental education programs for families.
- Teach naturalist sessions with Blue Heron School students as scheduled.
- Handle and present live animal ambassadors for educational purposes while ensuring the safety of animals, participants, and yourself.
- Close the Live Animal Exhibit Trail one day per week during May-October.
- Assist in the design, construction, production, maintenance, and refurbishing of educational materials/props.
- Assist with educational exhibit development.
- Serve on relevant staff committees.
- Contribute to and participate in SLNSC special events.
- Maintain cleanliness and safety of all program and office spaces.
- Other duties as assigned.

### Education and Qualifications

To perform this job successfully, an individual must have the following education and/or experience.

- Must be at least 18 years of age.
- Must be able to successfully pass a background check to interact with children.
- High school diploma or equivalency is required.
- Bachelor's Degree with a major in the natural sciences, environmental education, natural resources interpretation, or a related field, or comparable relevant experience, is preferred.
- Current progress towards obtaining a degree or continuing education is appreciable.
- Significant, documented, professional experience is preferred.

### Knowledge, Skills, and Abilities

The requirements listed below are representative of the knowledge, skills, and/or abilities required to perform each essential duty satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Prior experience teaching a variety of audiences in a non-formal environmental education setting.
- Knowledge of New Hampshire's natural history.

- Animal handling experience is preferred.
- Demonstrated public speaking skills and ability to effectively communicate with diverse audiences.
- Positive and enthusiastic attitude.
- Motivation, a willingness to learn, and a desire to work with people and animals.
- Current certification in Adult and Child CPR/First Aid with AED or willingness to obtain (recertification provided for all employees biannually).
- Licensed NH commercial boat operator or the willingness to obtain a NH commercial boating license.
- Possess or obtain a valid NH Driver's License.
- A strong and active interest in learning and personal growth, including self-assessment and feedback from colleagues.
- Good organizational skills.
- Ability to work well independently and as part of a team.
- Certified Interpretive Guide through the National Association for Interpretation is preferred.

### Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Must be able to stand for extended periods of time.
- Must be able to verbally communicate with staff, individuals on the phone, and visitors.
- Must be able to use office equipment such as computers, telephone, multi-function copy/scan/print machines.
- Ability to work in an environment that includes exposure to zoonotic diseases and environmental allergens including but not limited to dust, mold, pollen, live birds, live mammals, live reptiles, live insects, and other animals.
- Ability to work outside in all weather conditions, locomote long distances on uneven terrain, and lift at least 25 pounds unassisted.
- Must be able to tolerate working in a variety of environmental conditions and climates.
- Must be able to remain patient in perceived times of crisis or actual crisis.

### Compensation

This is a part-time position averaging 32 hours per week at a starting rate of \$17.00/hour. Schedule includes evenings and weekends. Anticipated start date is April 1, 2024.
